STEPS IN OBTAINING ISTS PERMIT FROM
BELTRAMI COUNTY

1. Site Evaluation*
2. System Design*
3. Permit application through Beltrami County Environmental Service Department (often the installer applies for the permit - check with your installer).
4. Installation of system
5. **Final installation inspection of system.***

L 70

***Must be done by a licensed MPCA professional.**

NOTE: The final installation inspection can not be preformed by the person/company who installed the system.
